LANGUAGES

Arabic (native) · English (very good)

Ahmed Almaamari

Digital Marketing Manager · Healthcare Marketing

I turn marketing data into decisions that grow demand: I build the marketing plan, run the campaigns behind it, and measure the results.

EXPERIENCE

Digital Marketing Manager
Apr 2025 – Present
Tadawi General Hospital, Dammam

- Build the hospital's marketing plan and campaign calendar; present half-year plans and results to the CEO.
- Run paid campaigns on Google Search, Meta and Snapchat for several clinical departments, with a landing page built to Google's healthcare ad policies; search campaigns drove 48K+ conversions and 139K clicks in 12 months.
- Grew followers from 26K to 50K+ across 8 platforms; TikTok from 7.7K to about 14K (+81%).
- Raised the Google rating from 4.1 to 4.3 across 6,200+ reviews: dedicated review owner, standard responses, automated post-visit messages and QR/NFC review points.
- Script and produce short-form video with physicians across 9+ specialties.
- Plan, coordinate, manage and cover 90+ health awareness, community and global health day events.

Marketing & Media Manager
Dec 2023 – Apr 2025
Rushd Specialized Center

- Developed strategies to raise the center's awareness and reputation.
- Managed paid and organic campaigns; produced content in-house, including photo and video.

Marketing Manager
2021 – 2023
Abr Al Falak Communications, Taif

- Led digital marketing strategy and online campaigns to grow engagement and sales.
- Launched and managed seller accounts on Amazon, Noon and Salla.

Freelance Digital Marketer
2019 – 2021
Self-employed

- Set up Salla stores for clients, launched their campaigns and reported performance.

Marketing Supervisor
2016 – 2019
Gulf MB

- Field visits and direct field marketing; supervised sales specialists and reported sales data to management.

Marketer
2015 – 2016
Interact

- Field marketing, site visits and direct engagement with individual customers.
